The first of his actions for which a servant of Allah (The Glorified and the Exalted) will be held accountable on the Day of Resurrection will be his prayers. If they are in order, then he will have prospered and succeeded; and if they are deficient, then he will have failed and lost. If there is something defective in his obligatory prayers, the Lord (The Glorified and the Exalted) will say: See if My servant has any optional prayers with which may be completed that which was defective in his obligatory prayers. Then the rest of his actions will be judged in like fashion.
